

UNIVERSAL FREIGHT SOLUTIONS LLC

**ONE STOP FOR ALL YOUR FREIGHT &
LOGISTICS NEEDS**

■ About us

Our industry forms the lifeline between the source and the consumer, the vital link: The Supply Chain.

UFS Employees, each of whom is an expert in their own field, manages to meet the needs of our customers and partners, keeping customers satisfaction at the top with their knowledge and experience, with a constant urge of learning and ability to quickly adapt to new trends. We ensure that the cargo will reach their destination in the safest and the most effective way.

UFS, by the virtue of being an independent company, is in contact with multiple agencies in every country. We choose the optimal vehicle and agency or the representative, with regards to the volume, transportation preferences and the type of cargo, then delivers your cargo to the point of destination with optimum time at the best price.

UFS offers a wide range of logistics and freight forwarding services to meet all your shipping needs as A One Stop Shop for Total Logistics Solutions.

Why Choose Us?

Experience Staff

Our Staff are well experienced in this industry for many years and are Dedicated, United, Hardworking, Striving for Excellence & Creation of Value

Innovative Approach
