**STREAMLINED  
LOGISTICS SERVICES**

We provide reliable and affordable shipping services worldwide.

## ABOUT US

DGL has been able to successfully continue to grow as a company by focusing on the concept of personalized service to our customers.

DGL is a complete logistics company with a global network of agents throughout the world, which allows us to service our customers' transportation needs. We are also a licensed Customhouse Broker. We have established a reputation for quality, integrity, and innovation by providing a higher quality of service to our customers. We will continue to excel by focusing on our commitment to our customers.

## EFFICIENT AND AFFORDABLE SHIPPING SOLUTIONS

### ▶ CUSTOMS BROKERAGE

DGL's customs expertise is broad and extensive. Customers' needs are analyzed to determine cost effective import management. DGL is ACE Certified allowing us online customs clearance which ensures the fastest possible release on import shipments. We are able to handle customs clearance throughout the United States

### ▶ GLOBAL OCEAN FREIGHT

DGL's approach to ocean freight is based on competitive pricing by carefully selecting our maritime partners. This assists our customers in budgeting and cost containment. Our services consist of FCL, LCL and Air-sea depending on customer's needs.

### ▶ GLOBAL AIR FREIGHT

DGL offers airfreight transportation with a wide variety of cost-effective services and meticulous care. Intergrated systems control and measure real time transit. We offer next flight to economy services depending on customers selection. With a global network of agents throughout the world, we can accommodate any of your company importing or exporting needs. Service consists of on time global services to door to door.

### ▶ TRUCKING SERVICES

We provide reliable trucking services for all your transportation needs. Our trucks are equipped to handle all types of cargo, and our drivers are experienced and professional. We offer FTL, LTL, Flat Bed. According to customer needs we can move cargo by Truck, rail or air depending on urgency of shipment.

## OUR SERVICES

DGL Global Logistics offers a wide range of shipping services, including customs brokerage, international freight, domestic freight, express delivery, and warehousing solutions. Our team of experts is dedicated to finding the best shipping options tailored to your specific needs.

## OUR MISSION

At DGL Global Logistics, our mission is to provide reliable and efficient shipping solutions for businesses of all sizes. We strive to ensure that your goods are delivered on time, every time, while maintaining the highest standards of customer service. Our core values are Dedication, Responsibility, Accountability, Integrity and Vision.

# UNLEASHING THE POWER OF SHIPPING
