SERVICES, INC.

ABOUT OUR COMPANY

WE ARE GEOJET LOGISTICS SERVICES, INC.

(formerly Haba-Sped Logistics Phils., Inc.)

For more than 2 decades, we have provided one of the most reliable logistics solutions in the Philippines – with services ranging from land, air, and sea transport as well as warehousing. We work with big and small companies to help them reach their goals and capture a bigger market in the Asian region and around the world.

We are **SWIFT**

We are strict to
deadlines so we
work hard to deliver
fast anywhere in the
world.

We are **SAFE**

We make sure your
cargoes are
delivered intact,
complete and in
mint condition.

We are **SECURE**

We bring you
satisfaction for every
transaction by giving
you peace of mind.
No need to worry
about your cargoes,
we'll take care
of it.

MISSION & VISION

Our MISSION is to bring the goods from seller to buyer at the safest, most cost-effective and timely manner.

Our VISION is to be recognized as one of the most admired companies in the logistics industry with progressive customers and happy employees.

ABOUT OUR SERVICES

WHAT WE CAN OFFER

We offer a one stop shop of logistics services designed to meet your every requirement.

Our logistics specialist will ensure that everything runs smoothly from the time you give us a call until your cargo reaches its destination.

Our aim is to be your reliable partner in the growth of your business.

LCL CONSOLIDATION & DECONSOLIDATION

No cargo is too big or small for us to handle. For less than container load (LCL) shipments, you don't have to pay for the entire container van cost and its space that you don't need.

Just hand to us your goods and we will make sure they arrive to their point of destination on time - at a fraction of the cost.

For full container load (FCL) shipments, we will arrange for container vans that you can fill up to the brim with your precious goods.

Just tell us what you want for your goods and we will identify the best shipping service for your requirements. Wherever you need these cargoes delivered, we got them covered - safe and on time.

FCL SHIPMENTS

SPECIAL / PROJECT SHIPMENTS

For cargoes that require unconventional handling, heavy lifts, special equipments and for goods with odd-sizes and irregular shapes, GEOJET can move and deliver even to the most remote places.

Whether piece-by-piece or the whole of it, your goods are handled - carefully and efficiently.

We can provide you with the hauling and delivery service you need from and to any point in the Philippines.

From key cities to the islands, your goods will be delivered - on the dot.

CUSTOM CLEARANCE

We do more than just shipping! Our logistics specialist can clear your goods from the Bureau of Customs while you attend to more important things.

We'll take care of the document preparation and make sure that your shipment does not acquire additional cost. We provide you with timely updates, deliver your cargo the soonest time possible with an accurate and above board documentation.

We offer you solutions to your storage space needs. Our warehouse facilities are strategically located.

With our round-the-clock security, you can be sure that your merchandise are kept - intact and secured.

WAREHOUSING & STORAGE

PACKING

In line with our services, we also pack, crate and even label your cargoes for you.

We have the team to ensure you that your cargoes get the correct packaging and labelling to avoid damage, breakage and misplaced items. It is our goal to make sure your goods are packed - properly and without error.

Worrying for lost and damaged assets ends with us. For a small amount, we have the facility to arrange insurance coverage for your cargoes.

We ensure that from loss and damages, your cargoes are protected - all wrapped up in cotton wool.

FUMIGATION & PHYTOSANITARY SERVICES

We can guarantee that your shipments comply with pest controls and sanitary measures by most countries.

Our logistics specialists will make sure that your goods are managed expertly, tidily - just the way it should be.

TECHNOLOGY

Geojet executes complex logistics transactions and manage freight operations from a single platform. We are able to do so with the use of Cargowise.

It helps us keep up with the changes in the global trade and supply chain management.
