

# Baltic Freight Services

---

Boutique logistics

Personalized solutions for your business !

Since 1996 BFS has been offering global logistics services covering air, ocean and road freight, customs brokerage and distribution to/from the Baltic countries.

We have not invented transportation.  
We are experts at it.

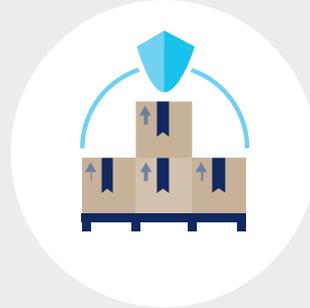

Air freight

Road freight

Ocean freight

Customs  
brokerage and  
distribution

When time is more of an essence than air ....

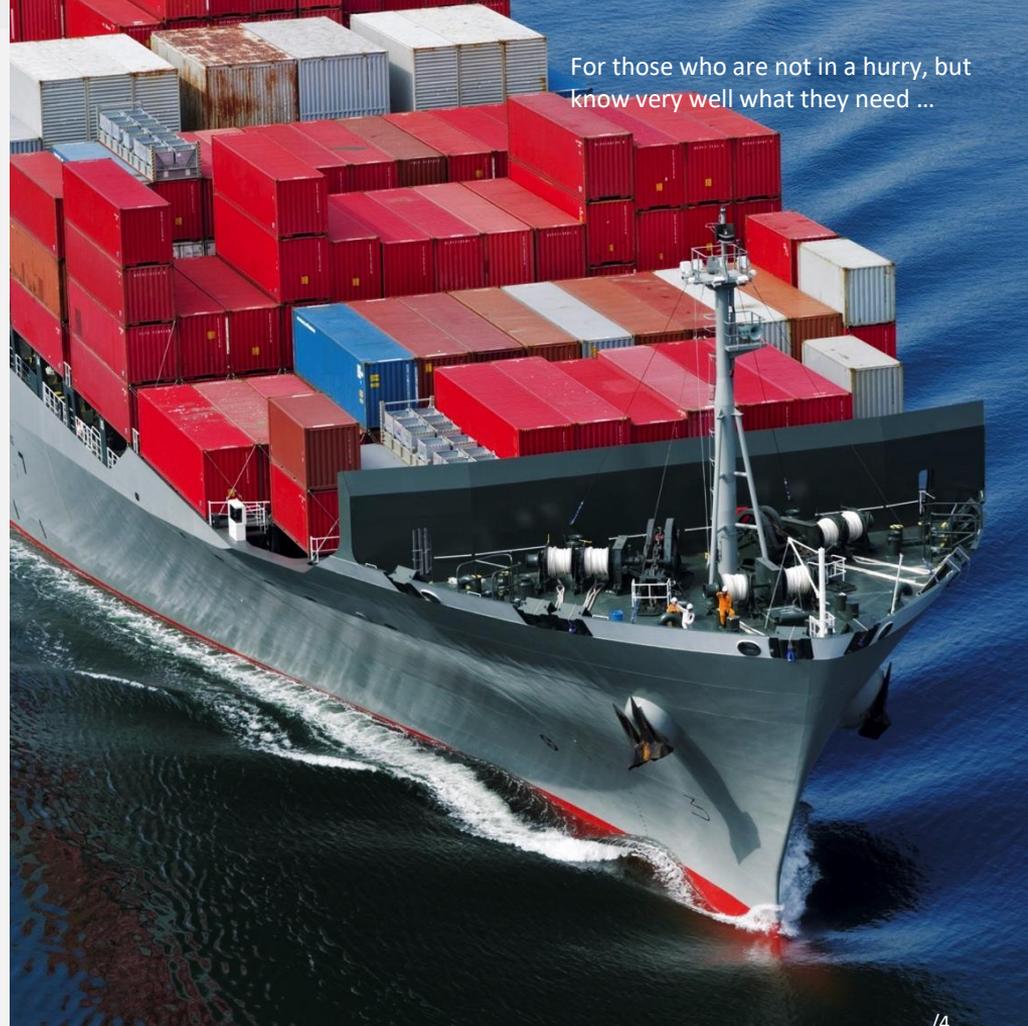

# Air freight

1. BFS is IATA accredited agent since 2002, also member of CASS.
2. An extensive network of partners ensures a reliable service for cargo deliveries from door to door all over the world.
3. Personalized logistics solutions. We combine air freight with other modes of transportation in order to meet your business needs.
4. We handle AOG cargo and provide on-board courier services to meet time sensitive requirements of our clients. Packaging and logistics solutions for temperature -controlled shipments.
5. Our staff is well trained to deal with Dangerous Goods.

# Ocean freight

1. We offer comprehensive ocean freight forwarding services for less than container load (LCL) and full container load (FCL) shipments.
2. A wide partner network helps our clients reach all major global markets and satisfies their diverse needs from local transportation to documentation and customs clearance.
3. We effectively deliver to the neighboring markets via Riga and Klaipeda ports. In case of LCL, we distribute via warehouses in Vilnius.
4. We organize transportation for specialized/project cargoes by sea either in open-top or flat-rack containers or by break-bulk mode.

For those who are not in a hurry, but know very well what they need ...

Traditional transportation that has become unique a long time ago ...

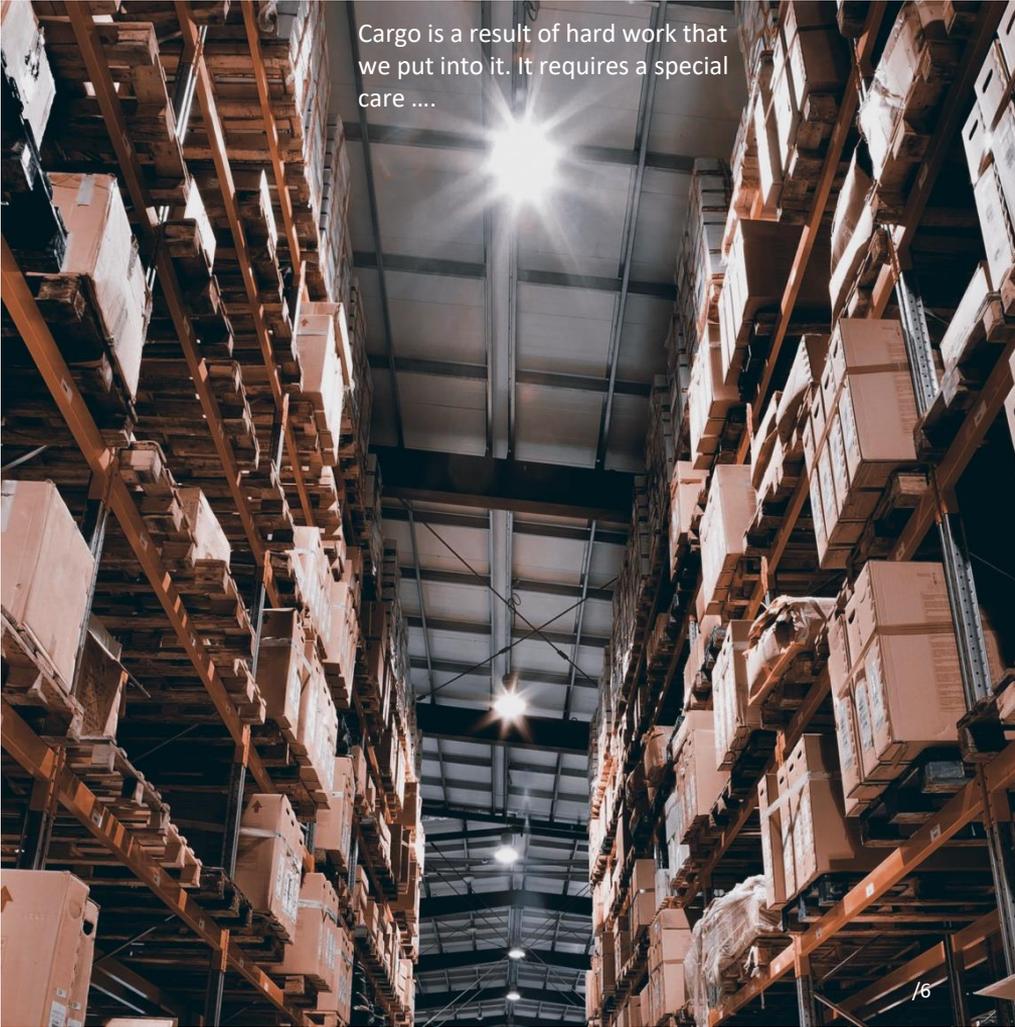

## Road freight

1. We offer comprehensive freight forwarding services of road transport for fully loaded trucks (FTL) and groupage cargo (LTL).  
BFS specializes in transportation of goods from East & West Europe to Baltics, and vice versa.
2. All our customers with any specific requirements will be provided with optimal solutions for the transportation of specialized/project cargoes.
3. BFS is member of the Lithuanian National Freight Forwarders and Logistics Association LINEKA, which is Lithuanian representative of FIATA.
- 4.

# Customs brokerage and distribution

1. BFS is a licensed customs broker. We handle import, export and transit customs formalities.
2. We sort, pack and label the goods at the warehouse in Vilnius.
3. Cargo distribution to Baltics and neighbouring markets.
4. BFS provides an additional cargo insurance service at an international insurance company.

Cargo is a result of hard work that we put into it. It requires a special care ....

Baltic Freight Services -  
boutique logistics partner.
