OUR VALUES

SERVICES WE OFFER

AIR FREIGHT

LMP is a global logistics company that specializes in providing comprehensive airfreight services to meet the unique needs of our clients. We offer door-to-door delivery, customs clearance, tracking and reporting, and expedited services for urgent shipments. Our team of experts manages the entire airfreight process and works with a global network of air carriers to ensure efficient and timely transportation of cargo. LMP is committed to quality and customer satisfaction and has a proven track record of delivering airfreight services that exceed our clients' expectations.

SEA FREIGHT

We specialize in providing comprehensive sea freight services tailored to meet the needs of individuals and industries. Our sea freight services are safe, reliable, and cost-effective, and include FCL shipping for all types of cargo, oversized cargo, under open top container, Flate Rack containers, and ISO Tanks handling. We also offer break bulk shipping services for oversized, heavy, or non-containerized cargo and LCL shipping services for consolidated shipments in a single container. We understand that every customer has unique shipping needs, which is why they offer a range of sea freight services that can be customized to meet individual and corporate requirements, ensuring customer satisfaction.

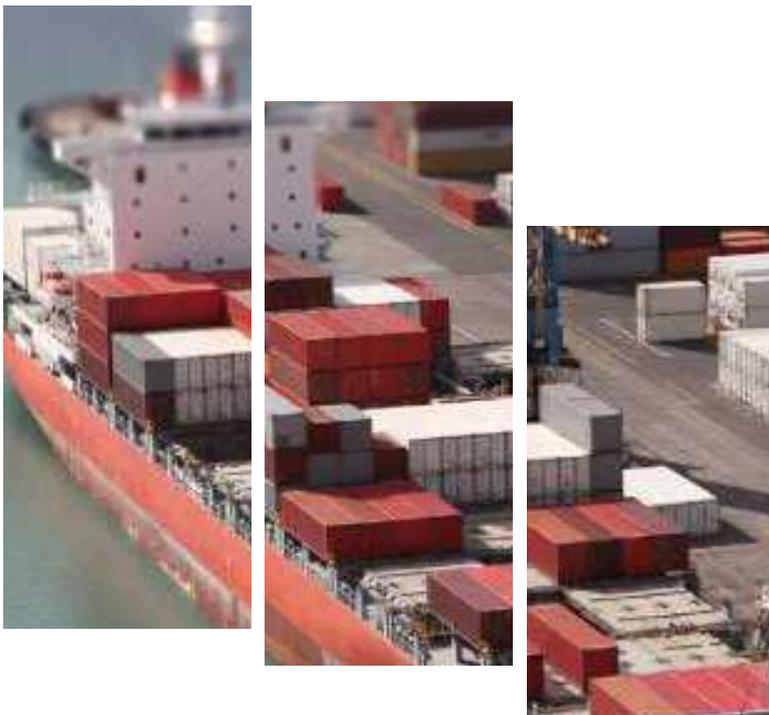

SERVICES WE OFFER

LAND TRANSPORT

Our land transportation services provide efficient and cost-effective solutions for moving your cargo across the country. Whether you need to transport your goods by road, rail, or intermodal, we offer customized solutions to meet your specific needs. Our experienced team of experts and modern fleet of vehicles ensure that your cargo is transported safely and efficiently. We handle all aspects of your shipment, including documentation, customs clearance, and cargo stuffing/unstuffing, so you can focus on your business. Trust it LMP can understand and identify your land transportation needs and experience the peace of mind that comes with working with a professional and reliable Logistics & shipping company.

LCL CONSOLIDATION

LMP, LCL consolidation service provides as part of their sea freight solutions. With LCL consolidation, customers can save on shipping costs by sharing container space with other shippers. LMP's team of experts ensures that every shipment is properly consolidated, handled, and documented, ensuring efficient and cost-effective transportation. We also provide customers with real-time tracking and reporting to keep them informed about their shipment's status.

SERVICES WE OFFER

CROSS STUFFING & TRANSIT HANDLING

LMP Shipping specialized in providing **cross-stuffing** and **transit handling services** to ensure efficient and cost effective shipment of the goods. With our qualified & Expert personnel.

We provide customized solutions for specific customer requirements, including Transit import, Transit Export of the shipments including repacking, labeling, and crating consolidation, as well as Cross stuffing & BL exchange along with online shipment tracking, document preparation, and freight insurance. LMP Shipping prioritizes customer satisfaction and quality of services, by offering knowledgeable and experienced customer service. At LMP shipping Cross-stuffing process is well managed and organized from point of origin to final destination to prevent damage to the products and ensure proper handling of varying size objects or bulky shaped goods.

WAREHOUSING, DISTRIBUTION AND TRADING SOLUTION

With a focus on cost-effectiveness and efficiency, LMP Shipping manages the entire procurement and logistics process, from sourcing to delivery. Our experienced professionals ensure that all aspects of the warehousing and trading process are effectively managed to provide increased customer satisfaction and high-quality services.

LMP Shipping specializes in providing top-notch **warehousing, distribution, and trading solutions** that are efficient and reliable.

Our state-of-the-art facilities are equipped with modern security and climate-control systems to ensure the safe storage of a wide range of goods, including bulk and containerized items, FMCG, perishable and non-perishable goods.

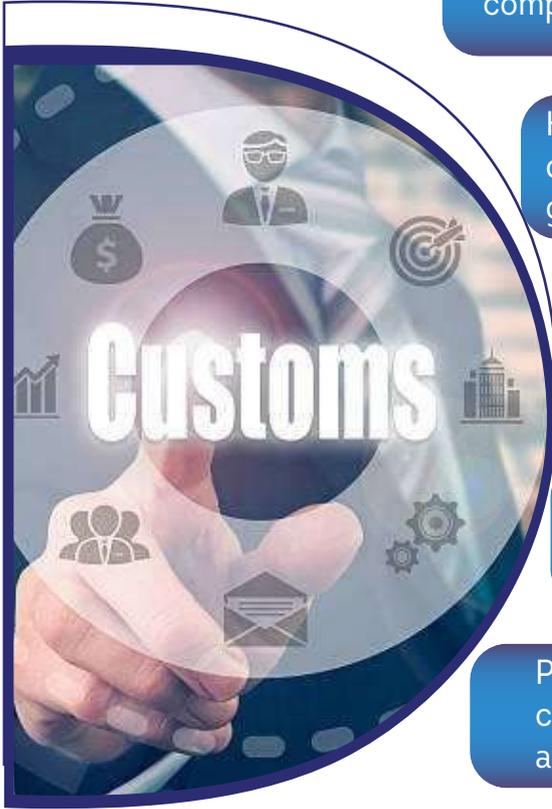

Our **trading solutions** are customized to meet the specific needs of clients and include sourcing and distributing various products, as well as offering value-added services like packaging, labeling, inventory management, and distribution.

The LMP Shipping team works closely with customers to develop tailored solutions that include short-term and long-term storage options, cross-docking, and consolidation services.

SERVICES WE OFFER
