

Door-to-Door Global Logistics Solutions

One Global Network: Over 30 Years of Logistics

OUR COMPANY

Atlantic Global Forwarding, LLC was founded in 2018 after the merger of what is now our forwarding and customs brokerage divisions. After years of cooperation and unofficial partnership, our two founders combine forces to use their 50+ years of experience to provide better and complete solutions to our customers. To date, we have completed over 50,000 shipments of all types for satisfied customers, providing every type of forwarding and brokerage service available, grown our US FCL export business by over 1000%, and expanded our company/services in a few innovative ways

PROCESSES IN THE COMPANY

2021

Integrated in-house trucking dispatching with 2500+ FCL/FTL truckers across US/CA/MX

2023

Opened a TSA/IATA certified air freight department servicing 150+ air export shipments in our first year

Started a weekly Ocean Export Consolidation to Israel, with 200 + TEUs exported since inception

2022

Started Cloud Logistics, to cater to multinational logistics providers by "franchising" our own Cloud Logistics branches in other countries for in-house door-to-door solutions globally

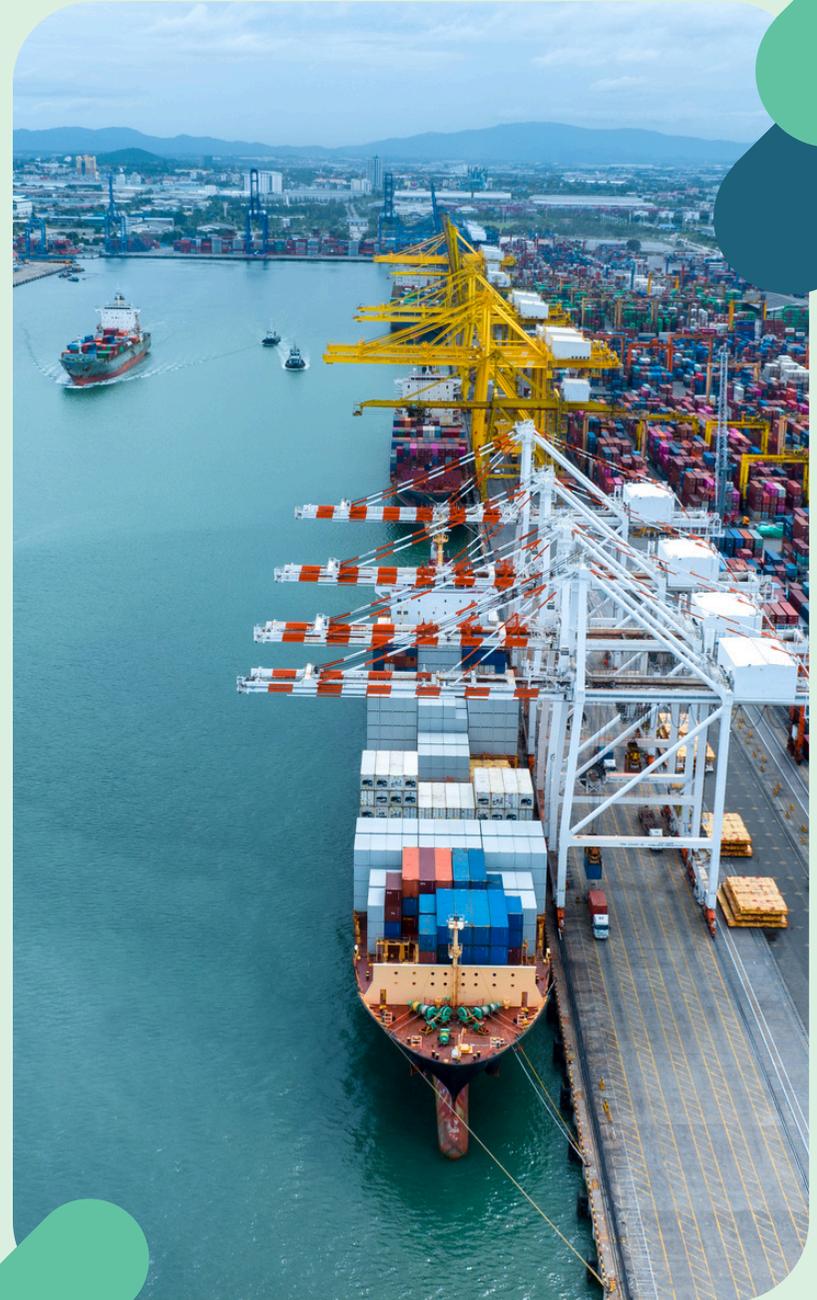

2024

Opened Cloud Logistics China, our own fully staffed and operations Chinese office, significantly improving our operations, ground presence and ability to develop our business in the region

Started weekly Ocean Export Consolidation to Israel, with 200 + TEUs exported since inception
