Welcome To Steadfast

Welcome to Steadfast Cargo, your trusted partner in seamless logistics solutions!

At Steadfast we specialize in providing efficient, reliable, on time and cost-effective transportation and warehousing services tailored to meet your unique needs. Whether you're shipping goods across the globe, managing inventory with precision or delivering to the most challenging geographies, we've got you covered. Explore our comprehensive range of services and let us take the hassle out of your logistics challenges. With Steadfast, your cargo is in safe hands from origin to destination.

We don't just deliver goods; we deliver Peace of Mind, confidence, and a promise of excellence by ensuring your shipments arrive precisely when and where they're needed and on budget every time.

As a logistics company rooted in the shipping industry, we pride ourselves in making lives of people more convenient and better, this is the Steadfast Group principle. In January, 2024, the company opened its doors to the world with offices in the United Arab Emirates, China, India, Tanzania and three offices in Lusaka, Ndola and Kitwe in Zambia.

To fulfill our mission as a logistics infrastructure provider that will continue to support the global economy and people's lives into the future, we must emphasize, social, and economic sustainability in our corporate management. Steadfast Group believes in a strong team, remaining committed to faster deliveries, competitive and flexible pricing. The safety of employees and Cargo sustainable growth of our business in rapidly changing circumstances requires us to adopt management strategies that enable us to respond flexibly to various needs.

As Steadfast Group our future business layout is our continued commitment to growth hence we are set plans to open more offices in Africa specifically, Zimbabwe, Malawi, Uganda, Nigeria, Ghana, Cameroon and Comoros in the near future. We will also remain steadfast in our pursuit of growth opportunities and greater corporate value.

To our employees, shareholders and Clients, your continued support for Steadfast Group is greatly appreciated. We will continually strive to achieve better cooperate results in the New Year. Our long term goal is to create better value for our shareholders and realize long term sustainable development of our Company.

VISION AND MISSION

VISION

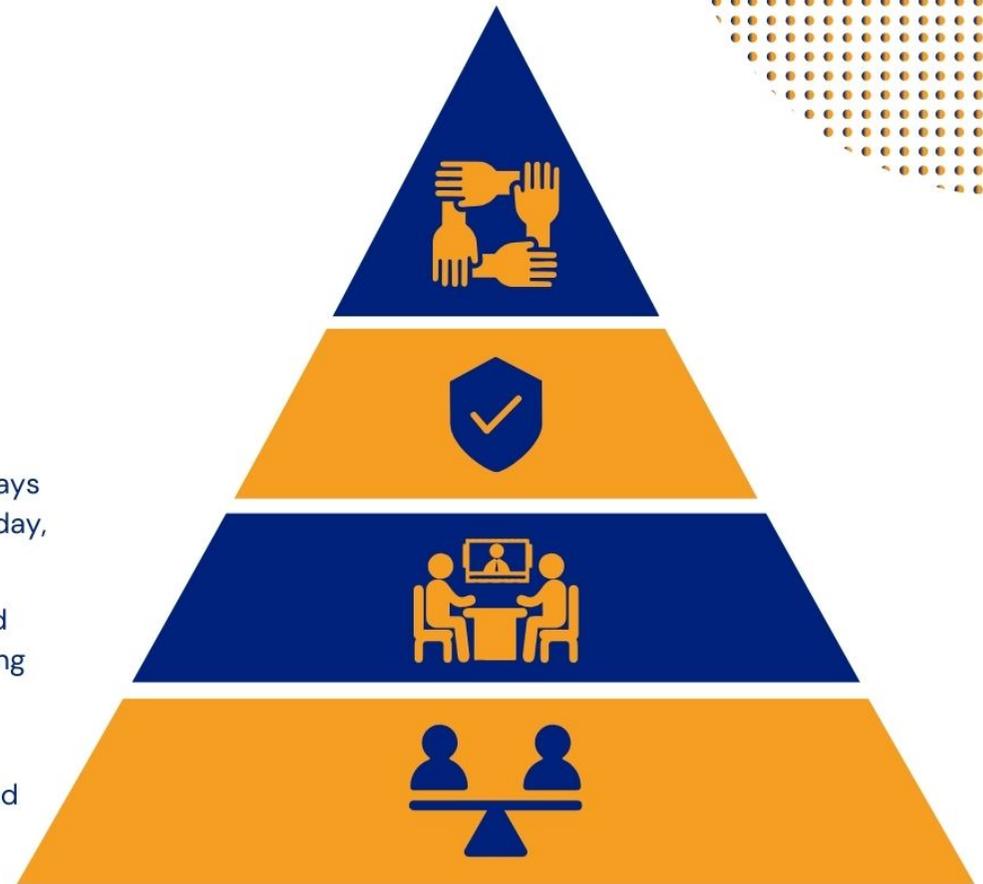

To create seamless solutions that surpass customers' expectations while bringing innovation, efficiency, and sustainability to unique supply chains connecting the world to Africa.

MISSION

To enhance global commerce connecting Africa and promote sustainable growth by enabling businesses and consumers to interact seamlessly through creative and effective supply chain solutions.

VALUES

- 01** We establish trustworthy relationships by acting ethically towards our partners, internal clients, and external clients.
- 02** Our goals are efficaciousness and efficiency. We always aim for originality and cutting-edge solutions. Every day, we strive to enhance our performance!
- 03** We collaborate at all levels because we know the end result will be better and because we think that working together, we can do more.
- 04** We appreciate and embrace the power that variety brings. We treat others the way we want to be treated and appreciate every individual equally.
